

CSA0502 – QUERY PROCESSING FOR DATASCIENCE

Name: Syed Khasim Ameen Reg No: 192324215

QUESTION 35

AIM

To compare marks in two subjects.

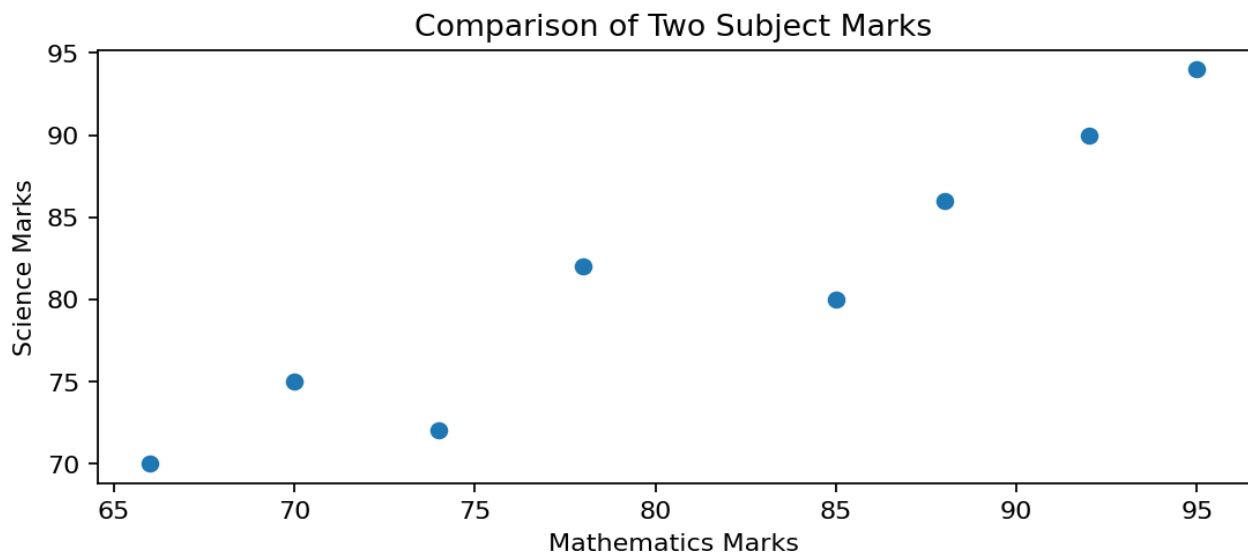

QUESTION

Write a Python program to draw a scatter plot comparing two subject marks.

CODE

```
import matplotlib.pyplot as plt
math=[78,85,92,66,74,88,95,70]; science=[82,80,90,70,72,86,94,75]
plt.scatter(math,science); plt.xlabel("Mathematics Marks"); plt.ylabel("Science Marks"); plt.show()
```

OUTPUT

RESULT

The required chart was generated successfully.
